Dear Richard:

The good news of your Knighthood has filtered through to me and I am delighted to hear that you have received so well deserved an honor. Congratulations!

I must say that on Thursday mornings I often think of the meetings over which you so ably presided and I miss them.

STAT However, I understand that ☐ is handling things with his usual competence. I hope all goes well with you, and my wife and I join in sending both you and your wife all our best wishes for a Happy New Year.

Best regards,

Cord Meyer, Jr.
